

About Registration

WHAT DO THE REGISTRATION FEES COVER?

In addition to access to Tutorials, Papers, Special Events and Professional Development Workshops, registration fees cover Continuing Education Units (CEUs), Lunches (T-W-Th), Coffee Breaks (T-W PM, W-Th AM), Continental Breakfasts (W-Th), and the Thursday Banquet. A meeting bag with conference materials (including an Abstract book and CD ROM of the current papers) is included. The fees also cover administrative expenses incurred.

I/ITSEC Registration Services for 2017

We strive to minimize the time spent in line so you can move on to the conference events or the exhibit floor. Our goal is to make your I/ITSEC experience a pleasant one even before you enter the Orange County Convention Center (OCCC). Avoid that line and move on to what you came to I/ITSEC to do!

Traditional Registration Stations. Located in S220 of the South Concourse Registration area, traditional walk-up registration will be available for Full Service Registration, on-site payments, changes/edits to name badges, multiple badge pick-ups, or just because you prefer dealing one-to-one with a real person.

Alternate Registration Stations within the Orange County Convention Center. Limited stations at the Main Registration Station will be open Friday and Saturday to handle early registration, especially exhibitors. Conference Attendees are encouraged to wait until Sunday afternoon or use the Self Badging/Self Registration kiosks.

Self-badging printing stations will be available for those who pre-registered and received a confirmation number. To complete your registration at this station, you must be paid in full with no outstanding balance or questions remaining about your registration.

VIPs, Speakers (including Paper Presenters), Media, and International registrants will have special registration stations. More details will be provided to each group, but be sure and watch for signage pointing to these areas.

Registration outside of the Orange County Convention Center. I/ITSEC Full Service Satellite Registrations will be located at the Hyatt Regency and Hilton from Sunday noon through Tuesday. These stations will be staffed to assist you whether you need to start your registration from scratch or just need to pick up your nametag.

Hyatt Regency location: Convention Level, near the Grand Ballroom as you pass from the Hyatt to OCCC.

Hilton location: Lobby Level at the entrance of the skywalk leading from the hotel to the OCCC.

Advertising Opportunities: Official Publications of I/ITSEC

Now more than ever, with the increased challenges facing the defense and security marketplace, you need to keep your organization's message in front of its target audience. Reach the leading decision-makers at the world's largest simulation, training and modeling event of the year by advertising your products and services in the Official Publications of I/ITSEC.

Advertising in these publications is an excellent way to stand out in the crowd and invite the attendees to visit your exhibit, product demonstration and/or website. Then after the event has ended, these publications are used by many as desk-references, so your advertisement will reach the decision-makers long after the conference is over.

FOR LIFE THREATENING EMERGENCIES DIAL 911 SECURITY HOTLINE DURING I/ITSEC: (407) 685-6111

Security Training Before The Conference

Technology collection directives contain mandates requiring exhibitors and presenters to receive a Counterintelligence (CI) briefing from their CI support staff prior to I/ITSEC. Contractors with classified contracts may contact their Defense Security Service Special Agents. To avoid security breaches, I/ITSEC presenters and exhibitors should ensure that the required briefing has been received. A list of CI support agencies follows. Please contact your security officer/manager and ensure that an appropriate briefing for yourself and your colleagues is arranged. Providers of the briefings are:

Army	902 Military Intelligence
Navy, USMC, Coast Guard	Naval Criminal Investigative Service
Air Force	Air Force Office of Special Investigation
Contractors	Defense Security Service

Personal Security

The most important thing to protect, of course, is yourself. Pay attention to your surroundings. Report suspicious behavior or security breaches to a security person or NTSA staff. Familiarize yourself with emergency procedures and exits at your hotel and the Convention Center. Please note that security surveillance cameras are in place throughout the conference and exhibit areas.

Emergency Medical Services

EMT and/or paramedics will be on-site during I/ITSEC (including hall build-up and tear-down). During I/ITSEC 2017, they will be located on the same level as Registration, near the escalators between S220 and S230. See the layout on page 12 for the exact location. Dial 911 for life threatening emergencies. For non-emergencies within the center, dial 5-9809 or on your cell dial (407) 685-9809, or alert any security or I/ITSEC staff member with a radio.

Bags and Briefcases

Bags and Briefcases may be carried in by those wearing **Conference Attendee** or **Exhibitor** badges. **Exhibit Visitors** (those who are only visiting the exhibits) **WILL NOT** be allowed to carry in bags or briefcases. A check room will be available in the main registration area. A small purse or fanny pack is allowed, but is subject to search. Additional security restrictions may be posted on <http://www.iitsec.org> and on signage at the conference. Conference Management reserves the right to adjust security levels as deemed necessary during the conference.

Presentations

Recording devices will not be permitted in the presentation rooms, unless authorized by the conference management. Presenters and Exhibitors should review their company's policy documents and those of the government agencies with whom you contract regarding open distribution, limited distribution, restricted distribution and sharing limitations.

Cameras

Exhibitors have the right to limit photographs and videos of their displays. Please respect this right by asking before photographing or videotaping. Participants found taking photos or videos without the consent of the subject presentors or exhibitors will be dealt with according to security procedures, to possibly include confiscation of materials and removal from the premises.
