

# Inspiring the World through Green Meetings

Marriott International aspires to be the global leader that demonstrates how responsible hospitality management can be a positive force for the environment and create economic opportunities around the world!

## Marriott's Five-Point Environmental Strategy

- Protecting the Rainforest
- Reduction of water waste and energy consumption
- Greening its supply chain
- Building greener hotels
- Engaging employees and guests to take action

## Guest Rooms, Public Space

- Water/energy saving linen reuse program
- Water conserving shower heads
- Sensors and water conserving faucets in public restrooms
- High efficiency air conditioning and heating units used throughout the facility
- Digital thermostats in guest rooms and meeting space
- High efficiency lighting, including compact fluorescent bulbs in guest rooms
- Paper, glass, cardboard, aluminum, plastic bottles, waste oil, alkaline batteries and ballasts are recycled

## Meetings and Events

- 100% recycled note pads
- Pens made from recycled materials
- Eco-friendly water service
- Organic banquet menu choices
- On-line event menus
- Paperless billing
- Recyclable box lunch program
- Recycling bins in meeting space
- Starbucks 10% PCW paper cups in banquets and the café
- Marriott Green Meeting Certified Sales and Event Team

## Community

- Hotel staff participation in environment-related community outreach projects including beach clean-up and natural plant restoration projects

**Coming Soon...** ENERGY STAR® certification
