SPONSORING ASSOCIATION

NATIONAL TRAINING AND SIMULATION ASSOCIATION

The NTSA, an affiliate of NDIA, represents and promotes the business interests of companies in the modeling, simulation, training, mission planning/rehearsal, and support service industries. NTSA's corporate members enjoy reduced fees on all NTSA events as well as a subscription to the NTSA monthly e-newsletter and NDIA's National Defense magazine. Sustaining and Regular corporate members receive early space selection and discounts on exhibit space at I/ITSEC. Individual memberships are also available

For membership information, contact **Carol Dwyer** at cdwyer@NTSA.org.
Visit the NTSA website NTSA.org.

NATIONAL DEFENSE INDUSTRIAL ASSOCIATION

Based in Arlington, Virginia, the National Defense Industrial Association (NDIA) is a non-profit, educational association representing industry, government, and academia. 1600 companies and 62,000 individuals rely on NDIA for networking, knowledge, and business development opportunities. As the nation's leading defense industry association, NDIA promotes collaboration to deliver cutting-edge technology, weapons, equipment, training and support to warfighters and first responders. Through events, divisions, regional chapters and two affiliate organizations, NDIA convenes ethical forums connecting experts from government, academia and the defense industry to define threats and design solutions to ensure U.S. and partner national security.

For NDIA membership information visit www.ndia.org
or contact the NDIA Membership Team at membership@ndia.org.

WOMEN IN DEFENSE

A NATIONAL SECURITY ORGANIZATION

Women In Defense (WID) strengthens the Defense Industrial Base and workforce by promoting programming that creates and enhances opportunities for women,

increasing diversity within the defense community. WID's two-fold mission focuses on empowering women currently working in defense and encouraging talented young women to pursue careers in National Security. Membership is open to women and men whose primary professional activities impact the national security of the United States and its partners and allies. WID's 20 chapters include members from defense companies; all branches of the U.S. Armed Forces; government; academia; think tanks; associations; and professional services. Active military and government employees receive complimentary membership.

CMSP – I/ITSEC FOCUS EVENT

Modeling and simulation is a vibrant and growing community, so it's more important now than ever to distinguish yourself from the crowd. This special event describes CMSP; the motivators behind its creation, its evolution, and the current version.

STATE OF THE CMSP NATION

Join the CMSP discussion as we review the exciting changes in CMSP and our next steps. A perfect opportunity to learn more about CMSP and how you can join the CMSP Nation.

CMSP MEET AND GREET

All are welcome to attend! Mingle with fellow CMSPs and get your CMSP questions answered as we gather to celebrate all the CMSP accomplishments over this past year.

CMSP AT UNIVERSITY COHORT

As part of the University Cohort Meeting, we'll be discussing the CMSP program and exciting changes ahead to recognize M&S professionals at all levels of education and experience.

CMSP WORKSHOP

This workshop describes the CMSP application and exam process. It provides insights into preparing for the exam with sample questions, relevant simulation videos, game-show style question review and round-table discussions.

EXHIBIT BOOTH

Visit the NTSA booth for CMSP information and materials. Learn more about becoming a CMSP, what the CMSP 3.0 committees have achieved and how you can apply.

CMSP AT THE STEM PAVILION

Visit us at the presentation area of the STEM Pavilion to learn about the career benefits of obtaining your CMSP certification.
