NATIONAL TRAINING AND SIMULATION ASSOCIATION

NTSA

The NTSA, an affiliate of NDIA, represents and promotes the business interests of companies in the modeling, simulation, training, mission planning/rehearsal, and support service industries. NTSA's corporate members enjoy reduced fees on all NTSA events as well as a subscription to the NTSA monthly e-newsletter and NDIA's National Defense magazine. Sustaining and Regular corporate members receive early space selection and discounts on exhibit space at I/ITSEC. Individual memberships are also available.

For NTSA membership information visit www.NTSA.org
or contact Carol Dwyer at cdwyer@NTSA.org.

NATIONAL DEFENSE INDUSTRIAL ASSOCIATION

NDIA

Based in Arlington, Virginia, the National Defense Industrial Association (NDIA) is a non-profit, educational association representing industry, government, and academia. More than 1800 companies and 66,000 individuals rely on NDIA for networking, knowledge, and business development opportunities. As the nation's leading defense industry association, NDIA promotes collaboration to deliver cutting-edge technology, weapons, equipment, training and support to warfighters and first responders. Through events, divisions, regional chapters and two affiliate organizations, NDIA convenes ethical forums connecting experts from government, academia and the defense industry to define threats and design solutions to ensure U.S. and partner national security.

For NDIA membership information visit www.ndia.org
or contact the NDIA Membership Team at membership@ndia.org.

WOMEN IN DEFENSE

A NATIONAL SECURITY ORGANIZATION

Women In Defense (WID) strengthens the Defense Industrial Base and workforce by promoting programming that creates and enhances opportunities for women, increasing diversity within the defense community. WID's two-fold mission focuses on empowering women currently working in defense and encouraging talented young women to pursue careers in National Security. Membership is open to women and men whose primary professional activities impact the national security of the United States and its partners and allies. WID's 20 chapters include members from defense companies; all branches of the U.S. Armed Forces; government; academia; think tanks; associations; and professional services. Active military and government employees receive complimentary membership.

CMSP at I/ITSEC 2021

Join us at our events this week to learn more about the Certified Modeling & Simulation Professional certification, what's new, and how to join the CMSP Nation.

MONDAY, 29 NOVEMBER • 1400 – 1500 • ROOM 319

CMSP 3.0 FOCUS EVENT

M&S is a vibrant community. This special event describes CMSP; the motivators behind its creation, its evolution, and the current version.

WEDNESDAY, 1 DECEMBER • 1600 – 1700 • ROOM 210B

STATE OF THE CMSP NATION

Join this discussion as we review the exciting changes in CMSP and our next steps. It's a perfect opportunity to engage with other CMSPs and learn more about ongoing and upcoming events.

WEDNESDAY, 1 DECEMBER • 1700 • ROOM 210C

CMSP MEET AND GREET

All are welcome to attend! Mingle with fellow CMSPs and get your questions answered as we gather to celebrate the significant CMSP accomplishments achieved over this past year.

FRIDAY, 3 DECEMBER • 0800 – 1200 • ROOM 330A

CMSP PROFESSIONAL DEVELOPMENT WORKSHOP

This workshop describes the CMSP application and exam process. It provides insights into exam prep, sample questions, simulation videos, game-show style question review, and a round-table discussion.

EXHIBIT BOOTH

Visit the NTSA booth for CMSP information and materials. Learn more about becoming a CMSP, what the CMSP 3.0 committees have achieved and how you can apply.
