# SPONSORING ASSOCIATION

## NATIONAL TRAINING AND SIMULATION ASSOCIATION

The NTSA, an affiliate of NDIA, represents and promotes the business interests of companies in the modeling, simulation, training, mission planning/rehearsal, and support service industries. NTSA's corporate members enjoy reduced fees on all NTSA events as well as a subscription to the NTSA monthly e-newsletter and NDIA's National Defense magazine. Sustaining and Regular corporate members receive early space selection and discounts on exhibit space at I/ITSEC. Individual memberships are also available. **Visit us in Booth 2280.**

For NTSA membership information visit [www.NTSA.org/Membership](http://www.NTSA.org/Membership) or contact Erica Albright at [ealbrittain@NTSA.org](mailto:ealbrittain@NTSA.org)

## NATIONAL DEFENSE INDUSTRIAL ASSOCIATION

Based in Arlington, Virginia, the National Defense Industrial Association (NDIA) is a non-profit, educational association representing industry, government, and academia. Close to 1,700 corporate and 67,000 individual members rely on NDIA for networking, knowledge, and business development opportunities. As the nation's leading defense industry association, NDIA promotes collaboration to deliver cutting-edge technology, weapons, equipment, training and support to Warfighters and first responders. Through events, divisions, regional chapters and three affiliate organizations, NDIA convenes ethical forums connecting experts from government, academia and the defense industry to define threats and design solutions to ensure U.S. and partner national security. **Visit us in Booth 2280.**

For NDIA membership information visit [www.NDIA.org/Membership](http://www.NDIA.org/Membership) or contact the NDIA Membership Team at [membership@NDIA.org](mailto:membership@NDIA.org)

## WOMEN IN DEFENSE

### A NATIONAL SECURITY ORGANIZATION

Women In Defense (WID) strengthens the Defense Industrial Base and workforce by promoting programming that creates and enhances opportunities for women, increasing diversity within the defense community. WID's two-fold mission focuses on powering women currently working in defense and encouraging talented young women to pursue careers in National Security. Membership is open to women and men whose primary professional activities impact the national security of the United States and its partners and allies. WID's 20 chapters include members from defense companies; all branches of the U.S. Armed Forces; government; academia; think tanks; associations; and professional services. Active military and government employees receive complimentary membership. **Visit us in Booth 2280.**
