COMPANIES: ARE YOU HIRING?

The Career Fair at I/ITSEC will give you access to some of the best and brightest talent in our industry. Contact Carol Dwyer at cdwyer@NTSA.org with questions or to register to participate.

*Many of the participating organizations may require U.S. citizenship or permanent resident status.

**The Interservice/Industry Training, Simulation and Education Conference (I/ITSEC) is the world's largest modeling, simulation, and training event.

***Career Fair attendance includes Wednesday, November 29 participation at the Career Fair and access to the I/ITSEC Exhibit Hall.

CERTIFIED MODELING
AND SIMULATION
PROFESSIONAL

WHERE DO YOU STAND IN THE M&S COMMUNITY?

Get accredited today!

The Certified Modeling & Simulation Professional (CMSP) certification program offers you the opportunity to join the cadre of professionals who have demonstrated valuable skills and understanding of modeling and simulation (M&S). Whether you are a beginner or an experienced member of the M&S community, a CMSP certification will allow you to demonstrate your skills and easily communicate your understanding of modeling and simulation concepts.

EARNING THE CMSP DESIGNATION PROVIDES:

- **RECOGNITION** from the M&S community as a leader in the profession
- **VALIDATION** of your skills, knowledge, experience, and expertise
- **OPPORTUNITIES** for professional advancement and career growth

Earn your CMSP certificate now and establish your status within the M&S community!

[NSTA.org/CMSP](https://nsta.org/CMSP)

[LinkedIn.com/showcase/CMSP-certification](https://www.linkedin.com/showcase/CMSP-certification)

Requirements include meeting the education and work experience criteria, professional letters of recommendation, and successful completion of an online examination.
